

**University of Washington School of Medicine**  
**DEPARTMENT OF PSYCHIATRY AND BEHAVIORAL SCIENCES**

**Interview Report of Psychiatry Residency Applicant**

The Resident Admissions Committee would appreciate your impressions of this candidate. Since you are one of only a few interviewers seeing this candidate, your assessment is critical to the committee's decision-making process. The Admissions Committee greatly appreciates your time and input.

**APPLICANT:** \_\_\_\_\_

**INTERVIEWER:** \_\_\_\_\_

**DATE & TIME:** \_\_\_\_\_ **PLACE:** \_\_\_\_\_ **PGY:** \_\_\_\_\_

<b>Global Rating</b>									
<b>Reject/Marginal</b>		<b>Consider</b>		<b>Highly Consider</b>			<b>Accept/Recruit</b>		
<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5</b>	<b>6</b>	<b>7</b>	<b>8</b>	<b>9</b>	<b>10</b>

**KEY:** *Reject* = Obviously unacceptable; *Marginal* = If superior candidates are lacking, we could take the risk; *Consider* = Would function acceptably in the program (satisfactory grades, does assigned work, pleasant, accepted by team); *Highly Consider* = Would be a clear asset to the program (above average grades, extra effort noted, extracurricular activities or minor research noted); *Accept/Recruit*: An outstanding candidate that we should go out of our way to recruit (honors in several subjects, high board scores, rave reviews in several rotations, unusual leadership or research productivity).
