Questions answered:

1. How do you respond when a patient asks “Do you believe in God”?

2. How do you prepare yourselves emotionally for seeing patients?

3. How do you deal with your own anxiety when you know that you don’t have any answers?

4. How do you respect a patient’s worldview when you don’t agree with it and you feel it’s leading to the kind of issues that the patient is having trouble with?
